

MARSHALL REPUBLICAN.

VOLUME XX.

MARSHALL, SALINE COUNTY, MISSOURI, THURSDAY, AUGUST 3, 1911.

NUMBER 31.

DEATHS

MISS ELIZABETH MARSHALL, died at her home, one and a half miles south of Nelson, on Tuesday, July 25th, of cancer of the stomach, aged 65 years. She had been ailing a long time and was bedfast three months. She is survived by five sisters—Mrs. Walter Wood of Napton, and Mrs. Lewis Petry of Nelson being two of the sisters—two brothers, Rhodes and William Marshall who reside on the old home place.

Miss Marshall was a splendid Christian lady. She was born and reared on the old Dick Marshall homestead where she also died. She was the oldest of twelve children.

Mrs. Walter Wood, of Napton, ministered faithfully to her wants the last four weeks of her illness. Funeral services were conducted by Rev. C. Q. Shouse at 10 a. m. Wednesday and were largely attended. This family is one of the oldest in Saline.

KAMMEYER—The little daughter of Mr. and Mrs. Walter Kammeier of Arrow Rock died Tuesday morning, July 25th, of summer complaint, aged about one year. The remains were laid to rest Wednesday in the cemetery southwest of Arrow Rock after services conducted by Rev. D. H. Moritz. We extend sympathy to the sorrowing parents.

MRS. CHRISTINA WHISLER, wife of Henry Whisler, died Sunday, July 23, 1911, at her home two and a half miles southwest of Blackburn aged 66 years, eleven months and fourteen days.

She was born in Germany. She leaves two sons and five daughters, three brothers and two sisters beside the husband to mourn her loss.

The interment was in the Alma Lutheran cemetery Wednesday.

RICHARD CAMPBELL died at his home on West Boyd Saturday noon, aged 65 years. He had been sick several months. He is survived by eight children. He was an old resident of this city. Funeral services were held at the residence Monday morning after which the remains were laid to rest in Mt. Horeb cemetery.

MATT. DOBBINS, col., died at his home near the ice plant in Marshall, Friday, July 28th, aged 55 years. He was a widower with a big family. His remains were interred Saturday morning in Fairview cemetery.

New Capitol Won

As expected, St. Louis and Kansas City voted almost solidly for the new capitol building. The country vote also was very favorable to the capitol as a rule, the total vote recorded in the state being 186,000 for and 38,000 against being a very light vote. Cole county cast 11,000 for and only 2 against it, showing more than twice as many votes as in the last presidential election! And only two against.

In Saline county, as will be noticed by the figures, the vote was nearly 3 to 1 in favor of the proposition. It will be noticed that a number of precincts voted it down, which was caused by some personal work on the part of persons opposed to it. There was but little opposition in Saline. The following is the vote by precincts:

Lost an Eye

Rector Herndon, son of J. T. Herndon had the misfortune of losing an eye last week. The eye had bothered him a great deal of late and recently grew much worse and he went to Kansas City Monday to have expert attention. It was found necessary to operate on him and remove the eye ball, which is supposed to have become poisoned by something getting into it.

A Close Call

Henry Ellis, col., who works for Jesse Hensick near Little Rock, had a close call Tuesday, July 25th. He was cleaning a well when he became paralyzed and unable to hold to the rope to be pulled up. Mr. Hensick saw his helpless condition and after securing assistance, went to the bottom of the well and tied the rope around the man and had him hauled up. He soon recovered and said he knew all that was going on but was helpless to do anything. Bad air may have been the cause.

Cretcher Woodmen Picnic.

Cretcher Camp M. W. A. gave its ninth annual picnic Saturday and as usual it was a big success. The crowd was probably the largest of any. J. L. Pritchard said he counted over 500 buggies and surreys, so that there must have been at least 1500 persons present. An able address was made by District Deputy Dobel.

The day was spent by those present in watching the contests and social conversation. The day was ideal—cool and no dust.

The following are the contests decided up to 5 p. m. when we were compelled to start for home.

Sack race, won by Wilbur Barton.

Egg race, won by Joseph Mitchell.

Potato race won by Wilbur Barton.

Three-legged race won by Willie Gammon and Roy Norman.

Foot race, Willie Kehon.

Pipe race, Everly Pittman.

Prettiest girl baby under 2 years—Grace Shores, 1st; Frances Ruth Cook, 2d. Prettiest boy—Orval Harper, 1st; Aubrey Hayes, 2d.

Ladies' ball driving contest—Miss Cora Cundiff, 1st; Mrs. John Hayes, 2d.

The ball game between Cretcher and Elmwood was won by the Elmwood boys—score 1 to 0.

The Woodmen estimated their profits for the day at about \$150, although this is a guess so far.

The Cretcher Woodmen showed they had an eye to economy by using apples instead of potatoes in the potato race. The Napton camp used potatoes and it is rumored that several were missing after the contest. They were rather small, as potatoes grow this year, and one of the boys probably remembered that the home supply was short.

Ona Deal, one of the spectators at the ball game, was struck in the face by a foul ball and badly hurt. Dr. Harrison, who lives near by, attended his injuries. The bruises were painful but not serious.

The editor was treated royally by our friends in a business way at the picnic for which we extend thanks.

We noticed John Cook at the picnic but he said nothing about "immunity" as he changed his mind Tuesday, week, when he, Frank Norman, Geo. Hemme and Henry Fisher took a little trip. Most of us do say foolish things sometimes don't we? Or do wise people change their mind?

Napton Woodmen Picnic

Napton Camp 4002 M. W. A. gave its first annual picnic at Wilton Springs last Thursday. It was attended by a monster crowd, estimated at 2000 or more, two train loads going down from Marshall alone. The picnic was carefully managed and the visitors well cared for. The camp cleared about \$75 for the benefit of the Wilton Springs Association.

The following is a list of contests and the prize winners:

Log Rolling Contest, 1st premium, \$5.00 cash by Napton camp; second premium, a box of cigars by Hayob Bros., Marshall. First premium won by Napton Camp 4002; Second New Frankfort, camp.

Had Leg Broken

James Finley, who lives near the Range Line church south of Herndon, had an awful experience last Wednesday. He was kicked by a horse and his leg broken. He was at home by himself and dragged himself to the house and to the phone and called up neighbors for assistance. Also Dr. Smith, of Houstonia who looked after his injuries.

Lost All in Fire

Dan Driskell, who lives near Harris Mill Ford, had the misfortune of losing his residence, the contents and some money last Thursday afternoon by fire. There was no insurance. Mr. Driskell had gone over to Mrs. G. B. Driskell's and Mrs. Driskell had gone to Herndon to do some shopping. This young couple have been married only about a year and are just getting started in life, so the loss will fall heavily upon them. Cause of fire unknown.

Another Home Burned

Chas. Simmons, of Cretcher, Saturday informed us that his son-in-law, Harold DeRackin, who moved to Knobnoster some time ago, lost his residence by fire on July 21st, caused they think, by a defective flue. A little furniture was saved and they fortunately carried some insurance. Mrs. DeRackin was at home during the fire.

Had a Runaway

While returning from the Blue Lick picnic last Tuesday evening J. B. White and Pat Hays had a rather exciting experience. When near town their horse ran away and threw them both out, tearing up the buggy and harness and bruising both considerably. Mr. White had his back and one hand bruised and Mr. Hays had his head bruised and shoulder wrenched so he was laid up nearly a week. He said it was his first visit to Blue Lick in twenty years and therefore he may have indulged too freely in Blue Lick water. The throw off was a new experience too but he had been reading about air ships and tried to land in a scot but didn't scot far enough so it gave him a severe jolt.

Mr. White had been drinking freely too from one of the other springs so it affected him a little different. In alighting he probably tried to land in a ball and roll away but failed to get his hand on the inside.

They both did well for a first effort and will probably join the flying machine experts now.

Another Big Picnic

Ehler Bros. announce that they will have their big annual picnic on Thursday, August 17th. This is one of the big events in East Saline and we hope all will make arrangements to attend.

Needle in Baby's Body

While giving their 1-year-old baby a bath Thursday, Mrs. Jim Sears of near Ridge Prairie, felt a hard substance on the side of her child. They brought the baby in to Dr. Shuck the next day and on examination it was found to be a needle lying under the edge of the ribs. Dr. Shuck removed it and the little one is getting along nicely.—Nelson Record.

Public Sale

Wm. Schepers will sell all his personal property at his farm at Fairville on Tuesday, August 8th. He has a big lot of stock, farming implements and grain. See adv.

Uncalled for Letters

Remaining uncalled for in the Marshall, Mo., post office, Aug. 3, 1911. If not called for in 15 days will be sent to the dead letter office at Washington, D. C.

Miss Jennie Mae Osborne.

Mrs. Lena Hudson.

B. T. Aulgar, J. O. Muncell, Mr. and Mrs. Henry Ziegler.

L. W. VANDYKE, P. M.

Among the Sick

Mrs. Julius Kiehoff of southeast of town was on the sick list last week but is better.

Miss Vera Hennegar of Sugar-town who had her leg fractured by falling from a cherry tree some time ago, is still weak and improving slowly.

Johnnie Hamilton is very sick at his home on Russell street.

C. L. Grimes, a young merchant of Mt. Leonard, is down with typhoid fever.

Jack Duval is on the sick list this week.

Miss Sallie Southworth, who has been ill about a month, is much better and able to be out again.

Births

Mr. and Mrs. Alvin Newell are the proud parents of a fine daughter since July 21st. Grandpas W. S. Newell and Dwight Brown are all smiles.

Mr. and Mrs. Joe Jacoby had a new daughter arrive at their home on July 26th.

Mr. and Mrs. S. F. Himes, of Kansas City, announce the arrival of a daughter on July 27th. Mrs. Himes was formerly Miss Eula Land of Gilliam.

Church News

Dr. W. H. Black preached at Hughesville Sunday at the Christian church.

Rev. Chas. Strassberger has succeeded Father Kagerbauer as pastor of All Saints Catholic Church at West Glasgow.

The Methodist again postponed their picnic on account of the rain Friday morning.

The New Home Union Sunday School will give a picnic at Sulphur Springs grounds August 5th. Contests suitable to the occasion will be given. In the afternoon a short program, consisting of songs and drills, will be rendered by the school. An invitation is cordially extended to everyone to attend.

The colored Masonic Lodge will assemble at the North Street M. E. Church on Sunday, Aug. 6, to listen to a sermon by Rev. G. W. Reeves. All Masons are invited to attend.

Rev. Wm. Leatherman, of Malta Bend, and Rev. Criss, of Sedalia were here Tuesday to conduct a meeting at the First M. E. Church that night. We were honored by a call.

68th Birthday Anniversary

Mrs. J. D. Billingsley, of North Marshall, observed her 68th birthday anniversary Friday evening by inviting many of her friends. Among the large number present many were from a distance. It was also the birthday of her grand daughter, Miss Vallie Maddox, so they made it a joint celebration. May they enjoy many more.

Direct From Africa

The more one reads of Africa the more one is confused about real conditions, partly because the country is so large that conditions differ and partly because the facts are not given correctly.

Miss M. A. Witt, who has been in Upper Nigeria two years, is back on a furlough for her health and is spending several weeks with her brother in Marshall. She gives anything but a glowing account of conditions in Nigeria.

The country is inhabited by the Hausas, the most civilized and intelligent of the colored races, yet possessing no books or papers except the Koran. The soil there is very sandy and as it is near the equator is very hot and dry six months every year and for a change of climate it gets very hot and wet the other six months. The people raise barley as a staple

and farm in the wet season, taking life easy in the hot and dry season, in fact are compelled to take it easy the year around as the weather is ordinarily like our hot spell this summer. To make life interesting they have plenty of mosquitos, poisonous snakes, spiders and scorpions and the fever carries many away, white people being able to stand it only a year or so. The colored people are acclimated and stand the heat better and can eat most anything without harm, such as tainted fish or meat.

The country is under English rule and now has a good government, slavery and other practices being prohibited. The natives do considerable tanning of goat hides for kid gloves for export trade. There are some commercial opportunities yet the people are so poor that there is no special inducement. Miss Witt has with her a large number of native curios, native cloth, native made articles, etc., that are quite interesting. She has consented to make several talks at our churches.

Jones-Grier

J. E. Jones son of Mr. and Mrs. T. C. Jones, of west of town, who has for some time been book-keeper for the American Linseed Oil Co. of Kansas City and Miss Marguerite Grier, were married at the home of the bride's mother in Redfield, Iowa, Tuesday, July 25th. The groom is well known to many of our readers as a fine young business man while the bride is said to possess many fine qualities. John A. Jones attended the wedding from here. They will reside at the Densmore for the present but later go to housekeeping.

Taylor-Kelley

Geo. Taylor of Nelson, and Miss Clarice Kelley, daughter of D. H. Kelley, were married by Justice Cox on July 25th at the brides home. A large number of their friends were invited to attend the wedding and partake of a wedding dinner and all had a good time. Mrs. Taylor was the housekeeper at the Kelley home and the young couple will make their home with Mr. Kelley. The bride is a winsome miss and one of the youngest brides we have ever met. We wish them a happy, prosperous voyage through life.

Road Booster Special

The Missouri Pacific ran a special train with Pullman sleepers to Jefferson City Tuesday in order to enable our state highway booster to attend the meeting of the State Highway Commission yesterday.

A great many went from here, Slater and other points in the county but we were unable to get the names. The decision of the commission is awaited with much interest.
